

ISSUED FOR APPROVAL

# 4\_AHU-03 (A)

| ELECTRICAL DATA:                |      |                       |
|---------------------------------|------|-----------------------|
| Rated Operating voltage         | V AC | 400                   |
| Rated frequency                 | Hz   | 60                    |
| Rated current                   | A    | 100A                  |
| System Configuration            |      | TNS, 3 PHASE, 4 WIRES |
| Rated control voltage           | V AC | 230                   |
| Rated control voltage           | V DC | N/A                   |
| Rated insulation voltage        | V    | 1000                  |
| Rated Impulse Withstand Voltage | KV   | 8                     |

| BUSBAR DETAILS:                  |     |                                        |
|----------------------------------|-----|----------------------------------------|
| Main busbar cross section        | mm  | 1x2x20x10                              |
| Neutral Busbar                   | mm  | 1x2x20x10                              |
| Ground Busbar                    | mm  | 1x2x20x5                               |
| Short Time Current (kA) for 1sec | Icw | 25                                     |
| Busbar treatment                 |     | Tin-plated Copper                      |
| Busbar Insulation                |     | No                                     |
| Color code                       |     | Red, Yellow, Blue, Black, Green/Yellow |
| Version of external connection   |     | L1,L2,L3,N,PE                          |

| ENCLOSURE DETAILS:   |    |            |
|----------------------|----|------------|
| Type of Switchgear   |    | Sivacon S8 |
| Installation         |    | Free Stand |
| Internal separation  |    | Form 4b    |
| Degree of protection | IP | 43         |
| Canopy               |    | Yes        |
| Ventilation          |    | Yes        |
| Gland plate          |    | Yes        |
| Color of enclosure   |    | RAL 9002   |
| Color of canopy      |    | RAL 9002   |

| CONNECTION DETAILS:                      |  |       |
|------------------------------------------|--|-------|
| Cable connection for supply cubicle(s)   |  | Top   |
| Cable connection for outgoing cubicle(s) |  | Top   |
| Connection in plant                      |  | Front |
